

The Process

1. Complete, scan and email this Donation Pledge Form to info@upsidefoundation.ca.
2. We will contact you to thank you, let you know how to best leverage your commitment to give back, and discuss the resources we have to strengthen the visibility of your pledge.
3. At a later date, we will work with you to legalize the donation- either through a standardized Legal Donation Agreement, through your Employee Stock Option Plan, or through warrants.
4. Build your company! We will remain in close touch to advise you of events and opportunities to participate in the Upside Foundation network.

Information
